PURPOSE

To outline the processes that will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

DEFINITIONS

Child-related work: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

Suitability checks including Working with Children Clearances

Working with students

values the many volunteers that assist **in our classrooms/with sports events/camps/excursions/school concerts/other events and programs**. To ensure that we are meeting our legal obligations under the *Worker Screening Act* and the Child Safe Standards, is required to undertake suitability checks which in most cases will involve asking for evidence of a Working Children (WWC) Clearance and may also involve undertaking reference, proof of identity and work history involving children checks.

Considering our legal obligations, and our commitment to ensuring that is a child safe environment, we will require volunteers to obtain a WWC Clearance and produce their valid card to for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, school council, participating in sub-committees of school council, during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have WWC Clearances or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, I reserves the right to undertake suitability checks, including requiring proof of identity and WWC Clearance, at its discretion if considered necessary for any particular activities or circumstances.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety Policy, our Child Safety Code of Conduct and our **Statement of Values and School Philosophy**.

Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to
